

Mechanical Assembly

INSIZE EUROPE S.L.

CONTENTS

- 01** *Dimensional Measurement*
- 02** *Installation And Commissioning*
- 03** *Surface Inspection*
- 04** *Torque Inspection*
- 05** *Mechanical Testing*
- 06** *Working Condition Inspection*

Digital Calipers

Digital Micrometers

Digital Indicators

Digital Measuring Tapes
+ Laser Distance Meters

Digital Height Gauges

Digital Flushness Gauges

Thread Ring/Plug Gauges

Digital Protractors

Welding Gauges

Feeler Gauges

Digital Taper Slot Gauges

Digital Gap Gauges

Bench Centers

Air Gauges And Displays

Inductance Type Probes And Display Units

Ultrasonic Thickness Gauges

Straight Edges

Straight Edges

Digital Levels

Digital Inclination Levels

Dual Axis Photoelectric Autocollimators

Laser Interferometer Measurement Systems

Blade Runout Monitoring Stations

Air Floating Rotary Tables

03

Surface Inspection

Zoom Stereo Microscopes

Smart Microscopes

Telescoping Inspection Mirrors

Videoscopes

Torque Wrenches

Digital Torque Wrenches

Digital Torque Testers

Torque Wrench Test Stands

Digital Torque Screwdrivers

Electric Screwdrivers

Torque Multipliers

Bolt Axial Force Testers

Digital Force Gauges

Wire Tension Meters

Infrared Belt Tension Meters

Cable Tension Meters

Electronic Universal Testing Machines

Hydraulic Universal Testing Machines

Horizontal Soft Bearing Balancing Machines

Horizontal Mass And Center Of Mass Testing Machines

06

Working Condition Inspection

Air Leakage Testers

Tachometers

LED Stroboscopes

Vibration Meters

Sound Level Meters

Light Meters

Thermohygrometers

Infrared Thermometers

Infrared Thermal Imaging Cameras
